IN RE: DYNERGY MARKETING AND TRADE	DOCKET NO. CGP-01-4
	CERTIFICATE NO. 0002

CERTIFICATE TO PROVIDE LARGE VOLUME SERVICE

(Issued August 6, 2001)

On May 31, 2001, Dynergy Marketing and Trade, a partnership, (Dynergy) filed an application requesting the issuance of a certificate as a competitive natural gas provider (CNGP) by the Utilities Board (Board). The Board's rules at 199 IAC 2.2(18) and 19.14 establish the filing requirements for the issuance of a certificate. On June 5, 2001, the Board notified Dynergy that the application was complete and the 90-day review period had begun.

The Board reviewed the information provided by Dynergy and is issuing an order concurrently with this certificate approving the application for a certificate as a competitive natural gas provider. Dynergy stated that it only intends to provide service to large volume customers and so this certificate only authorizes service to large volume customers as defined in 199 IAC 19.14(1).

Iowa Code § 476.87 requires that a competitive natural gas provider or aggregator must reasonably demonstrate managerial, technical and financial capability sufficient to obtain and deliver the services it proposes to offer. The Board

in 199 IAC 2.2(18) and 199 IAC 19.14 established the filing requirements for a CNGP to obtain a certificate. Based on a review of Dynergy's application, the Board found that Dynergy has reasonably demonstrated that it possesses the appropriate managerial, technical and financial capability sufficient to obtain and deliver the services it proposes to offer. Additionally, the Board found that no additional conditions should be placed on the certificate.

IT IS THEREFORE ORDERED:

This certificate as a competitive natural gas provider, issued pursuant to Iowa Code § 476.87 (2001), authorizes Dynergy Marketing and Trade, a partnership, to furnish natural gas services as a marketer or aggregator to large volume customers in Iowa.
